

Boeing Open House National Aviation Academy

6225 Ulmerton Road
Clearwater, FL 33760

Friday, January 11th
9:30 a.m. - 2:00 p.m.

THIS IS WHERE IMAGINATION TAKES SHAPE.

EVERY PLANE IN HISTORY took its first flight in someone's imagination. At Boeing, we envision the most remarkable things, and assemble the people and resources to make them take shape. That's why we're here.

The following job opportunities are available in the Washington state area:

Airframe & Powerplant Mechanic
Inspector Operational Test
Inspector Customer Coordinator Factory

Inspector Assembly & Installation
Inspector Integral Fuel Cells
Inspector Modification

To view the detailed job descriptions and apply online prior to the event, please visit:

www.boeing.com/employment, click "Job Search" and enter the job title in the "Keywords" field. You must apply separately for each job you are interested in. If you do not apply prior to the event, you must bring an electronic copy (CD or flash drive) of your resume to the event.

Some of our benefits include:

Vacation
12 paid holidays
Voluntary Investment Plan
Life Insurance
2nd & 3rd Shift Pay Differential

Sick Leave
Education and Tuition Assistance Program
Medical and Dental Insurance Options
Retirement Plan
\$.50 per hour, 6-month Pay Progression

Boeing personnel will be in attendance to share information and assist with the application process.

In addition to the positions listed above, Boeing has many other job opportunities that may be a good fit for you. To view a comprehensive listing of other available positions, please visit boeing.com/careers and click on the Skilled Manufacturing Workers Featured Opportunities button. It will direct you to the Skilled Manufacturing Workers Featured Opportunities splash page where you can learn more and apply online.
