800-659-2080

Welcome to National Aviation Academy's Scholarship Search! Below you will find valuable scholarship information to assist you in finding Financial Aid. Besides these specific aviation scholarships, be sure to check around your community. Many clubs, such as Kiwanis, Rotary, ethnic clubs and others offer scholarships and grants.

## **Part 1: General Scholarship sites.**

These have many scholarships, grants, loans & internships available for various interests, including religious affiliation, ancestry, hobbies and more.

[www.finaid.org](http://www.finaid.org)  
[www.faa.gov/education/student\\_resources](http://www.faa.gov/education/student_resources)

In addition to the myriad of resources out there for scholarships, these are a few that are only available to students in aviation maintenance.

## **Part 2: Aviation Only Scholarships**

### ***Women in Aviation Scholarships:***

#### *Delta Air Lines Aircraft Maintenance Technology Scholarship*

Delta Air Lines will award a \$5,000 scholarship to a student currently enrolled in an Aviation Maintenance Technician Program (A&P) or a degree in Aviation Maintenance Technology. In addition to the \$5,000 scholarship, the recipient will receive a trip to the 21st Annual International Women in Aviation Conference (includes round trip airfare, hotel accommodations and conference fee).

Applicants must be a full-time student, with a minimum of two semesters left (as of March 2010), with a cumulative GPA of 3.0 or better (on a 4.0 scale). Applicants must be U.S. citizens or eligible non-citizens.

IN ADDITION to all WAI requirements, please include a detailed essay (500 -1000 words), double spaced, type written which addresses the following topics:

# National Aviation Academy Scholarship & Financial Aid Resources

6225 Ulmerton Road; Clearwater, FL 33760

150 Hanscom Drive; Bedford, MA 01730

800-659-2080

1. Who or What inspired you to pursue a career in Aviation Maintenance Technology?
2. What is or has been your greatest life challenge, and how has it enriched your and/or someone else's life?
3. If someone else was to describe your greatest strength, what would it be and why, and what do you consider to be your strongest characteristic and why?
4. What has been your most memorable academic experience and how did you handle this situation?
5. Why are you the most Qualified candidate for the Delta Air Lines Aircraft Maintenance Technology Scholarship?

(Scholarship value \$5000: Estimated total value \$6,000)

Contact: <http://www.wai.org/education/scholarships.cfm>

**Deadline: Postmarked by November 20.**

## ***Association for Women in Aviation Maintenance***

*Student of the Year Award & Beyond All Odds Award*

## ***AIAA Scholarship***

Amount: Varies

Applicants for an AIAA Foundation Scholarship/Award shall meet the following eligibility requirements:

1. Applicant must have completed at least one (I) academic quarter or semester of full-time college work.
2. Applicant must have a college grade point average of not less than the equivalent of a 3.300 on a 4.000 scale.
3. Applicant shall be enrolled in an accredited college or university within the United States or its territories. The exception to this is that applicants for the Orville and Wilbur Wright Graduate Awards and the Guidance, Navigation, and Control Graduate Award may be attending any accredited school in the world.
4. Applicant must be an AIAA student member in good standing to apply and must continue their membership during the time the scholarship is offered should they be selected.
5. Applicant's scholarship plan shall be such as to provide entry into some field of science or engineering encompassed by the technical activities of AIAA.
6. Applicant shall not have, or subsequently receive, any other scholarship/award which, when combined with the AIAA Foundation award, would provide a stipend greater than their tuition plus educational expenses (such as books, lab fees, room, board, etc.) estimated by the educational institution he/she plans to attend.
7. Sophomores and juniors who receive one of these awards are not restricted from applying in subsequent years.
8. Applicants may be students of any nationality, not restricted by the U.S. State Department, in full-time study.

### SELECTION CRITERIA

The recipients of the scholarship/award will be selected on the basis of the following criteria, which are listed in order of importance:

#### 1. Scholarship

This criterion shall be evaluated on the basis of the applicant's grade point average or its equivalent. A grade point average of not less than a 3.300 (B+) is required. You must submit your official college transcript to be eligible (if you attended more than one school, transcripts from ALL schools must be provided).

#### 2. Career Goals

This criterion will be evaluated by assessment of a 500-1,000 word typewritten essay. The essay should specify the career objectives of the applicant and should outline the academic program required to achieve those career objectives.

#### 3. Recommendations

Each applicant must include no more and no less than three (3) letters of recommendation. Recommendations from relatives will not be accepted. All letters of recommendation should be submitted through the online system. Paper letters will not be accepted.

#### 4. Extracurricular Activities

Each applicant's high school, college and community activities, offices, awards, and work experience
